At the February 5, 2018 meeting of the Michigan Public Service Commission in Lansing,
Michigan.

PRESENT: Hon. Sally A. Talberg, Chairman
Hon. Norman J. Saari, Commissioner
Hon. Rachael A. Eubanks, Commissioner

ORDER

On January 5, 2018, after several years of investigation and effort, the Commission implemented a new e-docket system. The new system includes enhanced case tracking, expanded search capability, and system-generated case numbers. However, the new system does not support the –R convention historically used for gas cost recovery (GCR) and power supply cost recovery (PSCR) reconciliation case numbers. Instead, the new “related case” function in e-dockets will allow parties and the Commission to ensure that plan and reconciliation cases are matched in the new system. Accordingly, the Commission finds that, going forward, the Commission will assign case numbers for GCR and PSCR plan and reconciliation cases.

In this order, the Commission is assigning case numbers for 2017 PSCR and GCR reconciliation cases. At a later date, the Commission will issue additional orders addressing docket assignments for future PSCR and GCR plan and reconciliations.

THEREFORE, IT IS ORDERED that each electric and gas provider listed in the captions of this order is directed to file its 2017 power supply cost recovery reconciliation or gas cost recovery reconciliation in the case numbers provided.

The Commission reserves jurisdiction and may issue further orders as necessary.
